Key Features

A UC certified solution for seamless collaboration

Certified with major UC providers and Microsoft Teams so you can connect with your team easily and effectively.

Built on EPOS BrainAdapt™

EPOS noise reduction technology has been proven to reduce listening effort by 67% in noisy environments.

Comfort that looks and feels good for long hours

The soft leatherette ear pads are designed to fully encompass the outer ear for a snug, gentle fit.

Experience music with high-quality stereo sound

Renowned stereo sound and customizable sound profiles deliver high-quality music tailored to your listening preferences.

Adaptive noise reduction tuned for performance

A 4 ANC microphone system automatically adjusts the noise reduction, reducing cognitive load, improving focus and productivity.
