5-Year Warranty

on Premium Project-oriented Products

New 5-year warranty

Hikvision prioritizes quality and puts ample effort into ensuring our products are both innovative and reliable. We understand that extra support on certain product series is welcomed by customers for peace of mind and cost control, so we have developed a new 5-year warranty for these product lines. Product Manufactured after **1st March 2022** now have an extended manufacturer warranty of five years in total.

Get first-class support

Our new 5-year warranty support comes free of charge, automatically applied upon purchase, with no action required from customers. In addition to the high quality production that Hikvision is committed to, customers will also be assured of Hikvision's industry-leading technologies, a global service network, and a stable supply chain of materials and components.

Get started today to enjoy reduced costs over the duration of a project!
