

VTech VCS704A Analogue Conference Phone with 4x Wireless Mics

With central, full-duplex speakerphone in base, callers can speak and be heard at the same time, just as they would in a face-to-face meeting. DECT 6.0 wireless microphones with Orbitlink Wireless Technology™ allows everyone to collaborate beyond the conference table. With up to 5 hours of talk time for each microphone, you have plenty of room to keep the meeting going on one charge. Operable in small, medium and large rooms, ErisStation is a flexible solution for any size conference room.

Key Features:

- 2-line backlit display with date and time
- Wireless microphone battery low indicator; flashing LED
- Wireless microphone auto power off; when base powered off
