## PRESENCE™ Business

PRESENCE™ is a premium headset for mobile professionals who require consistently excellent sound and voice clarity around the office, in the car and outdoors.

### Sound leadership

Building on Sennheiser's 70 year legacy of sound leadership, new developments include SpeakFocus™, WindSafe™ and own-voice detection technologies to optimize communication in noisy environments – both indoors and outdoors.

With best-in-class Sennheiser Voice Clarity using unique 3 digital microphone system, PRESENCE™ enhances speech intelligibility in challenging environments.

The headset also provides high-quality audio for multimedia. Peace of mind, ActiveGard® provides protection from acoustic shock.

### Quality design

With a focus on quality materials and wearability, PRESENCE™ Business' slim iconic design and subtle aluminum microphone boom arm represent the ultimate in discretion for business professionals. An optional

streamlined charger provides a convenient stand for office users.

### User focus

PRESENCE™ Business provides up to 10 hours' narrowband and 8 hours' wideband call time between charges and includes voice prompted status and iPhone battery meter. A choice of wearing styles increases user comfort. Designed with the user in mind, intuitive features include a unique sliding microphone with integrated on/off power slide.
