

Hear and be heard Wherever

PRESENCE™ UC ML

SPEAK FOCUS™ **WIND SAFE™**

Charger stand and headband are optional accessories

PRESENCE™ UC ML

PRESENCE™ UC ML is a premium headset for mobile Unified Communications professionals using Skype for Business, who require consistently excellent sound and voice clarity around the office, in the car and outdoors.

Sound leadership

Featuring best-in-class Sennheiser Voice Clarity due to 3 digital microphone system, PRESENCE™ UC ML ensures speech intelligibility in challenging environments.

Building on Sennheiser's 70 year legacy of sound leadership, sound enhancement features include SpeakFocus™, WindSafe™ and own-voice detection technologies to optimize communication in noisy environments – both indoors and out. ActiveGard® provides protection from acoustic shock. The headset also provides high-quality audio for multimedia.

Quality design

With a focus on quality materials and wearability, PRESENCE™ UC ML's slim iconic design and subtle aluminum microphone boom arm, represent the ultimate in discretion for business professionals. An

optional streamlined charger provides a convenient stand for office users.

User focus

Certified for Skype for Business, PRESENCE™ UC ML enables multi-connectivity and automatic switching between softphone and mobile calls from a single headset. A choice of wearing styles increases user comfort. Features include a unique sliding microphone with integrated on/off power slide and up to 10 hours' narrowband and 8 hours' wideband call time between charges.

Benefits and features:

- Best-in-class sound – Legendary Sennheiser Voice Clarity ensures a clearer and more natural audio experience
- Optimized speech clarity – Unique SpeakFocus™ technology with three digital microphones enhances voice clarity in all sound environments and provides the user with consistently clear sound
- Wind noise reduction – WindSafe™ technology reduces wind noise in outdoor situations
- Background noise reduction – Own-voice-detector optimizes speech intelligibility and reduces distracting background noises

- Hearing protection – ActiveGard® technology protects you from acoustic shock
- Increased range – Up to 25 meters with dongle, dependent on environment.
- Certified for Skype for Business – For maximized UC performance and plug and play experience
- Multi-connectivity – Seamlessly switch between softphone and mobile calls
- Extended talk time – Up to 10 hours' narrowband and 8 hours' wideband call time between charges
- Increased comfort – A flexible choice of wearing styles and optional headband increase user comfort
- Simple to use – Intuitive user interface
- Instant status – Status update via voice prompt
- Real-time battery monitoring – Via iPhone® battery meter
- Lightweight iconic design – Looks and feels as good as it sounds
- Optional charger stand – Keeps your headset handy and charged
- Protective carry case – For easy storage or transport
- Peace of mind – Two-year international warranty

Product Information

Product name	PRESENCE™ UC ML		
Art. No.	504575		
EAN No.	40 44155 08415 3		
UPC No.	61 5104 239135		
General Data			
Wearing style	In the ear, over-the-ear with ear hook or optional headband		
Technology	Bluetooth® Version 4.0 / supported profiles: HSP 1.2 + HFP 1.6 + A2DP 1.2		
Talk time	Up to 10 h		
Charging time	1 h 20 min		
Standby time	14 days		
Range	25 m (device dependent)		
Weight (without ear hook)	13 g		
Microphone			
Microphone type	Digital MEMS microphone (3 microphones)		
Frequency response - communication/telecommunication	150-6.800Hz		
Speaker			
Speaker type	Dynamic, neodymium magnet		
Frequency response - multimedia	100Hz-15kHz		
Sound pressure	Max 118dB (SPL) limited by ActiveGard®		
Packaging			
Dimension of product packaging (L x H x W)	160 x 58 x 110 mm / 6.30 x 2.29 x 4.33 in		
Package weight (incl. complete product and packaging)	236 g / 8.26 oz		
Units in distributor master carton	20 pcs		
Master carton weight incl. products	5.40 kg / 11.91 lbs		
Dimension of master carton (L x H x W)	340 x 260 x 305 mm / 13.40 x 10.24 x 12.08 in		
Unit pack/end user	1 pc		
Content of delivery			
Box content	<ul style="list-style-type: none"> - PRESENCE™ headset - BTD 800 USB ML - Car charger - USB charging cable - Ear hook - 4 x ear sleeves - Carry case - Quick guide - Safety guide

Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets and speakerphones depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets and speakerphones, the combination of Sennheiser sound leadership, quality design and build – and a focus on real life usability – give the best performance possible in offices, call centers and Unified Communications environments.

Please visit us at: www.sennheiser.com/cco

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets and speakerphones for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.
